PRAISE FOR BENDING ANGELS:

"The power of 'Let go and let God' is personified in this inspiring story. Also, that we are given guidance in the most unsuspected forms when we but look, and that a flood of grace is behind every surrender. What a joy."

-- **Lindsay Wagner**, actress, author

"With gentle humor and no small amount of faith, *Bending Angels: Living Messengers of God's Love* tells the story of Jack Emmott's life and of the angels who have appeared in his life, just when he needed them the most.

Do I believe in angels? Absolutely.

Was Jack himself an angel to me during the darkest period of my life? Absolutely."

-- **Debbie Adams**, Past President, Ronald McDonald House Charities of Greater Houston/Galveston; Chair, Advisory Council UThealth School of NursingTrustee, St. Edward's University

"*Bending Angel* is a beautiful inspiring book about faith and prayer and the angels that surround us. Jack shared his life journey of trusting in God and drawing strength that was needed to help him. I learned a great deal from this book and have thought about it over and over again since I read it."

-- Amazon reviewer

"If only I could get through a chapter without crying...very moving and touching stories."

Review

Bending Angels was not the book that I was expecting to read; it was so much more! You feel the emotion of Jack's story of how at age 6, he had to deal with polio and all the heartaches that came with that. As Jack goes through life and encounters many obstacles, you could see how each one of his "Bending Angels" was a blessing who showed him the way in some of his most troubling times.

I'm truly glad I was able to get the chance to read this book even though I'm not usually much for books that have a heavy religious theme. But Bending Angels came at the most perfect time in my life. I have been dealing with some pretty hard stuff lately, and while reading this book, it made me realize even more that everything happens for a reason. I truly believe that people -- or items like this book -- are placed in your life for a reason. Though at first you may not like it or understand it, the outcome is well worth the journey knowing that a greater power is watching over you!

Thank You to Jack H. Emmott for sharing your remarkable story and for reminding us that we all have angels watching over us!

About the Author

Author Jack H. Emmott contracted polio at the age of six. Before polio, he knelt at his bedside with his mother Lucile and said evening prayers. With paralysis, Jack could no longer kneel. But he could still pray to God for guidance, comfort and healing. The grace and love of God transformed all the bad from polio and paralysis into good. Jack is a life-long Christian and successful family lawyer in Houston, Texas. He is married to his wife of over forty years, Dorothy, who works alongside him in his calling. Jack is father to two children and grandfather to three grandchildren.
